August 1980

"Endodontic Reinforcement with Glass Ionomer Cement". LLU. March  
1984

"Exposing the gingival margin: A systematic approach for the control of  
hemorrhage", J.P.D., May 1984.

"Review and Survey of Medicaments used with gingival retraction cord",  
J.P.D., April 1985.

"The efficacy of resin compatible cavity vanishes in reducing dentin  
permeability to free monomer", J.P.D., February 1987.

"Bond strength of composite to metal mediated by metal promoters",  
J.P.D., July 1987.

"Contemporary Impression Materials for Cast Restorations", Oral Health,  
September 1988.

"Reversible Hydrocolloid: The Standard of Excellence", J.P.D., September  
1988.

"A Comparison of the Shear Bond Strength between two Composite  
Resins and Two Etched Ceramic Materials", I.J.P. 1988

**PUBLICATIONS ~ continued**

"The Use of Chemical Agents in Gingival Retraction", General Dentistry, April 1990.

~"Use of Chemical Agents in Gingival Retraction", Oral Health 80:23-28, August 1990.

Effect of Eugenol on Parapost Retention Cemented with Panavia", IADR/AADR, April 1991.

"The Tilted Molar: A Prosthetic and Periodontal Dilemma", Oral Health, October 1991.

"Effect of Tray Space on the Accuracy of Monophasic Polyvinylsiloxane Impressions", J.P.D., July 1992.

~"Effect of Corrugated Post-Space on the Retention of Posts", IADR/AADR, July 1992.

~"Effect of Corrugating Dentinal Walls of Post Space on Retention of posts Luted with Various Polymeric Cements, AADR March 1993

~Retention of Posts Cemented with Resin-Based Luting Agents, Oral Health, November 1993

~"A Guide to Successful Posting, Passively Placed Posts in corrugated Post Spaces", Oral Health, January 1994.

~"Effect of Eugenol-containing endodontic sealer on retention of prefabricated posts luted with a adhesive composite resin cement, Quintessence #12/1992

"Passive Post Placement Technique: Description of a Technique", Oral Health, April 1994.

"Shear Bond Strength of Composite Resins to Etched Castable Ceramic", I.A.D.R.

"Comparing the Bond Strengths of Resin Cements to Etched Glass Ceramic and Etched Porcelain".

"Cast Glass and Conventional Laminate Veneers", Micro-leakage Study.

**COURSES DEVELOPED AND PRESENTED**

- 1973 C.E. Course "Fixed-Prosthodontics".  
Western Canada Dental Conference  
C.E. Course "Fixed Prosthodontics". Victoria Dental Society
- C.E. Course "Fixed Prosthodontics".  
Pacific Coast Society of Prosthodontics
- 1974 Lecture Dental Radiology, Orange Coast College, Costa  
Mesa, CA. May 15
- C.E. Course "The Application of Newer Concepts in Fixed and Removable  
Prosthodontics".--Part-I.....University-of-Southern-California- June 22,  
Los Angeles, California
- C.E. Course "Newer-Concepts-in-Fixed-and-Removable-Prosthodontics"  
Part II University of Southern California October 4, Los Angeles,  
California
- C.E. Course "The Application of Newer Concepts in Fixed and Removable  
Prosthodontics." Part I Academy of General Dentistry University-of-  
Southern-California October 26  
~Lecture "Newer Concepts in Fixed and Removable Prosthetics to aid  
Laboratory Technicians".  
Southern California Dental Laboratory Congress. November 15, 16
- C.E. Course "Adult Orthodontics as related to Fixed  
Prosthodontics, Harold Nemetz and Lloyd Gaunt. Combined Dental  
Therapy Group. Santa Bárbara, CA. November 26
- 1975 C.E. Course "Tissue Management in Fixed Prosthetic Dentistry."  
College of Dental Surgeons. Regina, Saskatchewan, January 16, 17
- ~C.E. Course "Utilization of the Specialist" Alpha Omega  
International  
~Lecture "Ceramometal Restorations" Jelenko  
~Lecture "Selection of a Periodontist," Wadsworth, V.A.  
~Lecture "Impression Techniques, Gingival Deflection,  
Provisional Restorations." Sepúlveda, V .A.  
~Lecture "Endocrinology and Spectrographics".  
Multidiscipline Study Club

**COURSES DEVELOPED AND PRESENTED ~ continued**

- Lecture "Fixed Prosthodontics with Implants". Implant Society
- 1976 C.E. Course "Fixed Prosthesis for Implants--where does it differ?"  
University of Southern California. Biannual Lecture Series
- 1977 "Fixed Prosthodontics University of Southern California  
Advanced Pros. Students". Didactic, March 4 and onward
- Essay "New Concept in Fixed Partial Prosthesis, College of  
Dental Surgeons of B.C. Victoria, B.C.". April 20, 23
- Essay "Tissue Reflection for Cast Restorative Dentistry".  
Canadian Academy of Restorative Dentistry.  
Toronto, Canada. October 20, 21
- Essay "Tissue Reflection for Cast Restorative Dentistry".  
Federation Dentaire Internationale. Toronto,  
Ontario, Canada. October 22
- 1978 C.E. Course "Fixed Prosthodontics", Oklahoma Dental  
Association, Tulsa, Oklahoma. March 2
- 1979 C.E. Course "Simplified Crown and Bridge Procedures".  
Saskatchewan College of Dental Surgeons. June 6-10. Regina, Saskatchewan.
- C.E. Course "Fixed Prosthodontics", International Dental Study  
Club. Toronto, Ontario, Canada. December 12
- 1980 Seminar Series "Fixed Prosthodontics; Advanced Prosthodontic  
Students". University of Southern California. June- December
- 1982 C.E. Course "New and Basic Innovations in Crown and Bridge". Academy  
of General Dentistry, Toronto, Ontario, Canada. May 9
- C.E. Course "Update of Restorative Materials as  
Applied to Clinical Practice". Toronto Crown and  
Bridge Study Club. Toronto, Ontario, Canada.  
October 22, 23

**COURSES DEVELOPED AND PRESENTED ~ continued**

- 1983 C.E. Course "Tissue Management and Impression making in Fixed Prosthodontics". University California, San Francisco. August 12
- Essay "Impression Materials", Alpha Omega Dental Fraternity, Los Angeles, CA., October 25
- 1984 C.E. Course "Fixed Prosthodontics". University of California, Stockton CA. March 27
- Essay "The CO Laser in Dentistry" Pacific Coast Society of Prosthodontics. July
- Essay "Endodontic reinforcement with Glass Ionomers". LLU Dental Newsletter. Jan./Mar 1984 Page 10
- 1985 Essay "Exposing the Gingival Margin, a systematic approach for the Control of hemorrhage". International Academy of Gnathology
- 1987 C.E. Course "Impression Technique update". Ontario Academy of General Dentistry. Toronto, Ontario, Canada. May 10-13
- C.E. Course "Impression Materials and Techniques, Hydrocolloid The standard of excellence, Mc Gill University, Keynote-Speaker-25-year-class-reunion Montreal, Canada. September 18
- 1987 Essay "An Analysis of Currently Available Impression Materials". National meeting of the American Academy of Crown and Bridge Prosthodontics., Chicago, Ill February
- Essay, "An Update and Analysis of Impression Materials". Student Alumni convention, Loma Linda University School of Dentistry. Loma Linda, CA. February 23
- 1991 C.E. Course "Prefabricated Provisional's". Loma Linda University, March

**COURSES DEVELOPED AND PRESENTED ~ continued**

- 1991 Essay/Poster Pres. "Effect of Eugenol on Parapost Retention Cemented with Panavia". IADR/AADR General Session; Acapulco, México. April
- 1992 Essay/Poster Pres. "Effect of Corrugated Post Space on the Retention of Posts". IADR General Session & Exhibition . Glasgow, Scotland. July
- 1993 Essay/Poster Pres. "Effect of Corrugating Dentinal Walls of Post Space on the Retention of Posts Luted with Various Polymeric Cements. AADR General Session. Chicago, Ill. March
- C.E. Course "A Guide to Successful Posting of Endodontically Treated Teeth: State of the Art". Annenberg Center Rancho Mirage, CA. April
- C.E. Course "Restoration of Endodontically Treated Teeth with Passive Post Placement and Allowing for Retreatment". Flying Dentists Association. Tucson, Arizona. September
